# ABOUT US

BMO Garment Sdn. Bhd., established in 2014. It was founded by Mr. Denny Iskhandar Bahtiar Afandi, an entrepreneur with extensive experience in tailoring and the garment industry. Backed by over 40 years of expertise, the company has grown into a renowned name, particularly in the production of tailored clothing, OEM manufacturing, and ready-to-wear collections. Our specialties include Baju Melayu, Baju Kurung, Songkok, Songket, Setanjak, Capal, Butang Baju Melayu, Dokoh, Kurta, Jubah, Samping, as well as Hajj and Umrah essentials such as Kopiah, Sejadah, Tasbih, and more.

A significant contributor to the company's success is its cohesive and experienced management team, along with strategic collaborations with both local and international suppliers. Major sourcing partners hail from Italy, Japan, Korea, Indonesia, China, Turkey, India, Pakistan, and Bangladesh, coordinated via local agents based in Malaysia and Singapore. These suppliers have played a crucial role in supporting the company ranging from providing basic materials like needles and threads to advanced sewing machines and sophisticated textiles in a wide array of colors and textures.

BMO Garment also benefits greatly from the backing of various government agencies and private sectors. This includes support from banks, factories, the automotive and airline industries, hospitals, security firms, hotels, transportation companies, oil and gas enterprises, construction firms, and educational institutions. With such a strong network, BMO Garment is able to stay ahead by offering customers access to the latest fabrics and textile innovations.

Thanks to its reputation for high-quality craftsmanship, BMO Garment Sdn. Bhd. has earned the trust and loyalty of its clientele. Yet, despite its accomplishments, the company remains committed to continuous improvement and innovation striving to achieve greater success with each passing year.

**CORPORATE | UNIFORM | TRADITIONAL**

## VISION

To be Asia's most recognized and trusted tailoring brand, setting the standard for excellence in quality, style, and craftsmanship.

## MISSIONS

Our mission is to be the ultimate solution and one-stop centre for corporate, uniform, and traditional apparel needs—delivering exceptional service and top-quality products through both customized creations and ready-stock designs.

# GREETING FROM THE BOARD

Our achievements are the result of years of dedication, perseverance, and hard work an embodiment of the timeless saying, "Rome wasn't built in a day." What began as a noble vision to become a leading manufacturer of traditional attire has grown into a distinguished reality.

Since our establishment in 2014, the unwavering commitment of our employees has been instrumental to our success. Guided by core values such as loyalty, competence, perseverance, and efficiency, we have built lasting relationships with clients and suppliers alike. Our collective efforts continue to reflect the belief that true success is earned through diligence and unity.

With decades of industry experience, we remain committed to continuous improvement and innovation. By expanding our production capacity and refining the quality of our products, we aim to further strengthen our client partnerships and ensure sustained growth in the years to come.

## OUR SERVICES

## **TAILORING EXCELLENCE: FROM BESPOKE TO BULK**

We are well-known in Kuala Lumpur for high-quality made-to-order tailoring. Our skilled team ensures every piece is precisely measured, cut, and crafted to fit perfectly.

We specialize in traditional Malay wear such as Baju Melayu, Baju Kurung, Baju Istiadat, Songket, Setanjak, Bengkong, Samping, and wedding attire. We also create custom suits, corporate shirts, trousers, kurtas, and jubah with guaranteed quality in every piece.

## **BULK ORDER TAILORING**

We specialize in mass-producing uniforms and garments with quality that rivals bespoke tailoring. Our wide range of sizes - from 2XS to 7XL - ensures a great fit for everyone.

For corporate clients, we offer on-site fittings so employees can choose their sizes quickly, usually in under 15 minutes. We also provide design and consultation services to align with your branding.

Optional finishing touches like embroidery for logos, names, websites, or taglines are available to enhance your brand identity.

## PRODUCTION DEPARTMENT AND PROCESS

From pattern, fabric selection, precision cutting, expert stitching, to final quality checks, each step is carefully executed to ensure the highest standards. Our production process is designed to deliver efficiency without compromising on the elegance and excellence our brand is known for.

Whether it's custom tailoring or bulk manufacturing, our team ensures that every piece reflects our core values: precision, durability, and timeless style.

## FABRIC COLLECTION AND CUTTING PROCESS

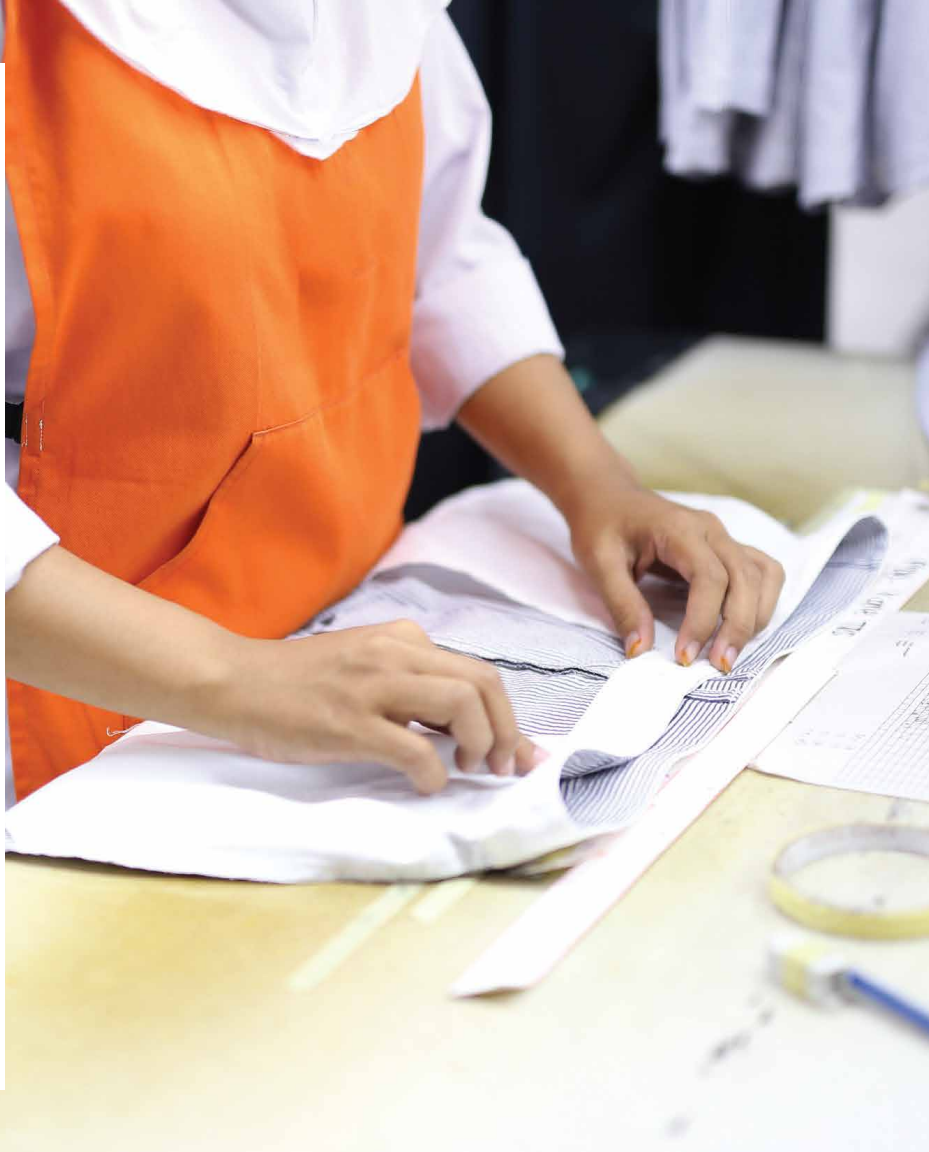

A woman wearing a white hijab and a green face mask is seated at a white industrial sewing machine. She is focused on sewing a piece of dark blue fabric. The machine has the brand name 'JACK' printed on its side. In the background, other sewing machines and spools of thread are visible, indicating a busy garment factory environment.

## APPAREL SEWING PROCESS

The Garment Division is managed by a highly experienced leadership team dedicated to delivering top-quality products at competitive prices. BMO utilizes state-of-the-art sewing machines to enhance operational efficiency. Every step of the process is designed with customer satisfaction as the ultimate goal.

## GARMENT INSPECTION PROCESS

Our QC (Quality Control) process makes sure every garment meets high standards before it reaches you. From fabric checks to stitching, sizing, and final touches, our team carefully inspects each step. We focus on quality, durability, and perfect workmanship in every piece.
